### WEAVER PARTS WARRANTY POLICY

Parts manufactured and/or sold by this company are subject to the standard warranty for that product group from date of sale to original user against defective material and/or workmanship, when the product is installed and/or used in accordance with our specifications. Our obligation assumed under this warranty is limited to repairing or replacing of said parts returned to us at our factory in Adrian, Michigan, transportation prepaid, which prove to our satisfaction upon inspection, to have been defective and which have not been misused or carelessly handled. We reserve the right to decline responsibility when repairs have been made or attempted by others without our written authorization. Corrosion or faulty maintenance is not covered by this warranty. This writing contains the entire agreement between the company and the purchaser. There are no warranties, expressed or implied, or merchantability, fitness for a particular purpose or otherwise which extend beyond the description on the face hereof. No parts will be accepted without return goods authorization.
